Welcome to Orcutt Presbyterian Church!

September 5, 2010

We are glad you are here and have come to worship this morning. If you are new to the church, you can drop by the Information Central table on the patio after the service to pick up a gift. Everyone please take time to fill out the small insert in your bulletin to let us know you are here, ask questions, share prayer requests, and sign up for upcoming events. Place the insert in the offering plate this morning. We hope you can stay after the service for refreshments and conversation in the Wedaa Fellowship Hall, located directly across from the Sanctuary.

The Children's Ministry is in need of small soup cans that have been washed with the labels removed. We need around 35 cans for the Peace-making project in October. Thank you!

ATTENTION! Sunday school registration has begun. Today at information central there will be registration cards for parents to fill out. It's important for us to have this current information in order for us to know where to place your children, any allergies that may have developed and how to get a hold of you for mailings & phone calls, etc. Any questions please see Joe Fowler, Kathi Krebs or Sherry this Sunday.
